

Speed Queen®

Multi-Housing

Micro-Display Control

STET77 (elec)

STGT79 (gas)

Commercial Heavy-Duty Stack Washer/Dryer

Description

- Ultra high efficiency with high speed extracts and low water consumption - only 12.8 gallons
- Attractive control panel
- Two separate controls allow washer and dryer to operate independently
- Multi-cycle and temperature controls offers choice of four washer and three dryer cycles
- Dryer airflow one of industry's highest at 220 cfm
- Can be installed on any floor type at any level
- Unit is factory assembled top and lower unit
- Micro-Display coin-operated control
 - Vend price programmable
 - Time countdown
 - Non-resettable cycle counter
- Touch pad control
 - Sound annunciator
- **Activation - Coin Drop**

Nobody Compares with Speed Queen Quality

- Multi-compartment supply dispenser. Automatically adds detergent, liquid bleach and liquid softener.
- High speed extract. 1000 RPM final extract maximizes water removal from clothes for faster drying.
- Stainless steel washtub.
 - Full length stainless steel baffles maximizes clothes turn for better washing.
- Includes mini guard perforated holes for expedient wash and drain operation.
- Shipped as one unit.
- Space-saving narrow cabinet (26⁷/₈" wide).

- Large "big load" 15½" door opening with see through glass.
 - Heavy-duty 10" piano hinge door.
 - Door swing 180°.
- Efficient dryer heating
 - 25,000 Btu (gas models).
 - 5,350 Watts (elec models).
- Up-front lint filter is easy to clean and secured.
- Americans with Disabilities Act (ADA) compliant (lower unit)
- Department of Energy compliant for energy and water standards.
- ENERGY STAR® qualified.
- CEE Tier 3 rated.
 - Modified Energy Factor (MEF) 2.24
 - Water Factor (WF) 4.5

Commercial Built to Last Longer

At Speed Queen, we're so confident that our heavy-duty commercial washers and dryers are Commercial Built to Last Longer, that we're offering the following limited warranty to prove it:

Through three years† — Any part of the washer, dryer or stack dryer. Through five years† — The washer transmission assembly, base and cabinet assembly including top, lid and door, against rust from inside out. Lifetime† — The stainless steel washtub.

†Parts only. Labor not included. See Speed Queen Warranty Bond for specifics.

For the most accurate information, the installation guide should be used for all design and construction purposes. Due to continuous product improvements, design and specifications subject to change without notice. The quality management system of Alliance Laundry Systems' Ripon facility has been registered to ISO 9001:2000.

Temperature Selection	
Temperature	Setting
Delicate	115°
Low	145°
Medium	155°
High	160°

NOTE: TWO SEPARATE POWER CORDS
 ✓ ONE FOR DRYER
 ✓ ONE FOR WASHER
